Children's Specialized Hospital is the nation's preeminent provider of rehabilitation healthcare for children. We offer comprehensive care for kids with special needs – including traumatic brain injury, spinal cord injury, autism, premature birth, and life-changing injuries or illnesses.

Join us at an event, and help the more than 18,000 children with special needs we'll treat this year. You can make a difference!

To see all our events, or register online visit our website at www.forchildrens.org
Or, give us a call at 908-301-5457.
