

Children's Specialized Hospital

WORLD-CLASS PEDIATRIC REHABILITATION

Children's Specialized Hospital

Children's Specialized Hospital is the preeminent provider of pediatric rehabilitation services and is the largest pediatric rehabilitation health system in the United States. Our hospital is dedicated to improving the lives of children and young adults by delivering superior specialized health care and medical services, in a safe and caring environment.

Children's Specialized Hospital serves children affected by conditions such as traumatic brain injury, brain tumors, stroke, spinal cord injury and dysfunction, complications of premature birth, autism, developmental delays, mental health issues, and other life-changing injuries or illnesses. Children's Specialized Hospital has nine sites in New Jersey and treated over 18,000 children in 2010.
