

Gifts With A Vision

Your donations and support help our children reach their fullest potential everyday as they face the greatest challenges in life. Learn more about how your donations can change the lives of our courageous children:

- **Gift of Therapy**

Your gift of therapy can provide children with desperately needed physical, occupational, recreational, aquatic, speech and other therapy services.

- **Gift of Learning**

Through your donation, the gift of learning provides educational tools for children to use during their stay with us.

- **Gift of Amusement**

Your generosity can give the gift of amusement, allowing our patients to participate in organized social programs for children with special needs.

- **Gift of Recovery**

Your gift of recovery can help provide necessary equipment and therapy to improve the lives of our children during their rehabilitation.

World-Class Pediatric Healthcare

Providing Hope and Healing
to Children with Special Needs

Caring For Our Children

Children's Specialized Hospital is dedicated to improving the lives of patients through delivering superior medical services, in a safe and caring environment. The hospital serves children affected by brain injury, spinal cord dysfunction and injury, premature

birth, autism, developmental delays, and life-changing illnesses.

Our renowned pediatric rehabilitation care includes the following services, as well as a full complement of support services.

- Physical Therapy
- Speech Therapy
- Occupational Therapy
- Psychology Services
- Neurorehabilitation
- Physician Services
- Recreation Therapy

As the nation's largest provider of rehabilitation services for children with special needs, Children's Specialized Hospital has 12 sites in New Jersey and will treat more than 20,000 children this year — and we continue to grow!
