A casual place where parents can freely share their questions, concerns, problems and solutions about parenting in a safe and supportive atmosphere.

• Does parenting ever make you feel stressed and overwhelmed?
• Can your kids really push your buttons?
• Want other adults to talk to? Get the support and knowledge from others who “get it.”

For more information please contact:
609-693-4121 or Kaitlyn.Powers@oceanfso.org
Transition Matters Workshop

The Transition Matters Workshop is a training developed specifically for professionals and parents who are working with high school-age students with intellectual and developmental disabilities (IDD) and will require adult services upon exiting the school system.

Representatives from:
• Office of Special Education Programs
• Division of Vocational Rehabilitation Services
• Caregivers of New Jersey – Support Coordination Agency
  Presenters will offer current agency specific information regarding transition planning and adult services.

Who should attend?
Parents, caregivers, and professionals navigating the transition years with children who have intellectual and developmental disabilities between the ages of 14 and 21.

Workshop learning objectives include:
• Increase awareness of transition planning while still in the school system.
• Receive specific information regarding the timing of referrals.
• Become familiar with the eligibility determination process for adult service.
• Gain an understanding of service options available for students upon graduation.

Wednesday – June 8, 2016
6:00-8:30 pm
Hawkswood School
468 Industrial Way
Eatontown, NJ 07724
(behind First Atlantic Credit Union)

AMC Sensory Friendly Films

Movie Showings for Guests & Families Living with Autism or Other Special Needs

AMC is proud to partner with the Autism Society to bring you unique movie showings where you can feel free to be you! We turn the lights up, and turn the sound down, so you can get up, dance, walk, shout or sing!

We are now expanding our Sensory Friendly Film program to four showings per month.

• The second and fourth Tuesday and Saturday.
• Family-friendly movies will continue to show Saturdays, starting at 10am local time.
• We've added Tuesday showings at 7pm local time that may appeal to others on the autism spectrum.

Check the AMC Web site for shows & times.

Locations in New Jersey that participate in the program:

AMC Clifton Commons 16
AMC Freehold 14
AMC Hamilton 24
AMC Loews Brick Plaza 10
AMC Loews Cherry Hill 24
AMC Loews Jersey Gardens 20

Within the Department of Human Services, the Division of Disability Services (DDS) provides a single point of entry for those seeking disability-related information in New Jersey.

DDS works to streamline access to services and information that promote and enhance independent living for individuals with all disabilities by facilitating coordination and cooperation among local, county, and state government agencies.

Please visit: http://www.nj.gov/humanservices/dds/home/

The resource guide is available in both English and Spanish.
Libraries and Autism

Libraries and Autism
We’re Connected.

Emphasizes inclusion, connecting libraries and the autism community, and bringing awareness of the needs of individuals with Autism Spectrum Disorder and their families to the library community.

Ask YOUR library if they’re connected!

Each year, libraries can apply for an "Autism Welcome Here: Library Programs, Services and More" grant to support inclusive library programming.

Visit their website for information and many great resources: librariesandautism.org

The New Jersey Dare Devils (NJDD) was started in 2002 by the mother of a child seeking to find a physical outlet for her child with autism. Today there are 50 boys and girls ages 6 to 28, with various special needs, playing for the NJDD at the Richard Codey Arena in West Orange NJ.

Supporting these special hockey players are 12 adult coaches and over 75 junior/student coaches who are local youth hockey players helping to instruct the NJDD players in the intricacies of hockey.

To learn more about joining please visit: www.njdaredevils.net
Art for Children with ASD and Special Needs

The Center for Contemporary Art’s *Art for Children with ASD and Special Needs* class provides needed access to creative art experiences for children with Autism Spectrum Disorder and other special needs to provide an invaluable avenue of self-expression for children with limited or no verbal communication.

The Center for Contemporary Art has purchased the area’s first *wheelchair accessible pottery wheel*, removing barriers to participation in its growing ceramics program by students in wheelchairs and those with back problems who require an upright position.

For further information or to register for a class, please visit The Center for Contemporary Art online at [www.ccabedminster.org](http://www.ccabedminster.org) or call 908-234-2345.

Located at 2020 Burnt Mills Rd., Bedminster, NJ
The Bounce Factory's "Gentle Jump" program is designed to provide jumpers with special healthcare needs the time, support and environmental modifications to experience all that The Bounce Factory has to offer.

The staff has been trained by Missing Piece Awareness Inc. to understand some of the challenges that individuals and families with autism and other special needs face on a daily basis. They have been taught to not only anticipate the unique needs of jumpers but to support and motivate them in this wonderful environment!

**When:**
Tuesdays 4pm – 6pm

**Where:**
The Bounce Factory
150 Mt. Bethel Road
Warren, NJ 07059

Please call 908-647-5867 to reserve your spot!
People & Families, the NJCDD's nationally recognized magazine, focuses on issues of importance to the developmental disabilities community in New Jersey. Published four times a year, the magazine also provides vital up-to-date information for families and self advocates; highlights organizations, programs, and individuals that make positive changes in the developmental disabilities community; and shares noteworthy developmental disabilities stories from across the state and across the nation.

For more info, visit www.njcdd.org
Kessler Foundation has teamed up with Children’s Specialized Hospital to research new ways of helping to improve the lives of children.

Four Studies:
• Advances in Treatment: Examining the Effectiveness of a Group Behavioral Intervention
• Study Skills Training to Improve Academic Learning After Pediatric Traumatic Brain Injury
• Applying CogMed to Improve Working Memory Abilities After Traumatic Brain Injury
• The Examination of Emotional Processing in Children with Traumatic Brain Injury or Autism

To learn more, contact:
Chris Bober 973-324-8435 / cbober@kesslerfoundation.org
Nancy Moore 973-324-8450 / nbmoore@kesslerfoundation.org

You will be compensated for your time. Study sites are available throughout New Jersey.
If you or your child has a professional diagnosis of autism, The Center for Autism Research at The Children’s Hospital of Philadelphia invites you to learn more about SPARK, a new online research study sponsored by the Simons Foundation Autism Research Initiative. The mission of SPARK is clear: speed up research and advance understanding of autism by creating the nation’s largest autism study. Joining SPARK is simple – register online and provide a DNA sample via a saliva collection kit in the comfort of your own home. Register in person at 3535 Market St. Philadelphia PA 19104 (appointment only), by contacting us at SPARK@email.chop.edu, or visit www.SPARKforAutism.org/CHOP. Together, we can help spark a better future for all individuals and families affected by autism.

UCESC is pleased to announce that the first NJ state-supported Project Search High School Transition Program will be piloted in Union County, NJ beginning in the Fall of 2016! Recruitment for the first cohort of students will begin this Winter.

The Project SEARCH Transition Program is a unique, business led, one year school-to-work program that takes place entirely at the workplace. Total workplace immersion facilitates a seamless combination of classroom instruction, career exploration, and hands-on training through work site rotations.

This special project is the product of a collaborative effort between UCESC, the NJ Division of Vocational Rehabilitation Services, and the NJ Division of Developmental Disabilities.

For more information go to http://ucesc.org/ucesc/ or call 908-233-9317
Equestrian Camp at Mane Stream

- Located in Oldwick, NJ
- An inclusive summer day camp open to children with disabilities and typically developing children ages 4 and older.
- Children learn and practice basic riding skills, safety awareness and how to groom and take care of a horse.
- Arts and crafts, games and activities are designed to teach campers about horses while keeping them active and happy.
- Geared towards the beginner rider and an excellent introduction to riding in a safe and secure environment.
- Both the camp counselor and riding instructor are PATH, International certified instructors, are trained in CPR and First Aid and have strong horsemanship backgrounds.
- Camp enrollment is limited to ten campers per week.

For more information or to register for camp, please visit the website at www.manestreaminc.org or contact Kathy Brennan Hart at 908-439-9636, ext. 203 or programdirector@manestreaminc.org
Horse Sense
Therapeutic Riding Center

145 Easy Street, Howell, NJ
732-910-7855

- Family owned and operated.
- Beginner Riding Lessons, Therapeutic Riding Lessons, Family Farm Experience, Team Building and Animal Assisted Activities; all custom tailored to your needs.
- Goal is to teach proper horse care and basic riding to everyone who likes horses, wants to own a horse or just be around horses.
- Horses can help build self-esteem, confidence and muscle tone, which can flow into every aspect of your life. Learn to relax and understand a horse just by participating in one of our programs.
Camp Oakhurst opened its doors in 1906, and since then has been serving the community loyally. The Camp is open to not only for children, but teens and adults that have physical and developmental disabilities.

Camp Oakhurst is a fully accessible camp for about 800 campers each summer. The 15 open acres are unbarred, allowing for easy wheelchair access throughout. The camp boasts a heated pool and campers participate in activities including cooking, baseball and off-camp trips!
